

Faculty/Institute:	Faculty of Social and Economic Studies (FSE)
Course title:	Social Choice and Public Choice Theory
Course code:	KEMA/MSPCH
ECTS:	4
Level of course:	Bachelor and master
Language of instruction:	English
Lectures/exercises:	2/0 per week
Completion:	exam
Course goal:	The aim of the course is to explain the performance of the private and the public sector with respect to the problems of collective action. We will contrast the framework of individual choices of various economic agents having - in the sphere of collective choice - different incentives and interests and facing different formal and informal social institutions. Students will be introduced to economic analysis of factors influencing behaviour of politicians, voters, bureaucrats, and interest groups in the public sector, as well as shareholders and managers in the corporate sphere
Abstract:
